## Volunteers—the key to a better world

Ms. Anich's class donated time to developing the future rose garden at the Amery trailhead of the Stower Seven Lakes State Trail.

Mr. Benslie's class is pictured cutting brush on the trail.

And, as always, the Friends of Stower are grateful for the tireless energy Chuck LaBreche contributes keeping the trail in tip top shape. He not only coordinates volunteer activity but gets out there himself building benches, installing signage, clearing downed trees, cutting brush, filling holes, etc. You get the idea! All are welcome to give a hand. Send Chuck an email to find out how you can help. Chuck LaBreche [chuckle@amerytel.net](mailto:chuckle@amerytel.net)

### Chuck LaBreche a faithful volunteer heads up trail maintenance

The Stower trail came out shining this spring! From start to finish it is in excellent condition. So far we have ridden the entire length to check for problem areas. We had a group of high school kids, pictured on front page, doing maintenance projects on the trail and it was a great help. What a terrific group! They are real troopers, and we appreciate their enthusiasm as they make improvements. Almost 100% of the tree cutting and trimming is complete. The trail has compacted well after the winter which makes riding much more pleasant.

We are now getting ready for the upcoming triathlon on June 6. We have been seeing gopher holes starting to show up which need to be filled on a regular basis. Earlier, Polk County, our trail partner with the DNR, had to so put some fill in along the bog. The area ran through swampy area and the water was coming up on the trail and eroding the sides and part of the flat. Looks great now. On a separate note, I enjoy seeing so many seniors out on the trail which as you know, is open for non-motorized activity for people of all ages and abilities. If you are biking along, please watch for walkers, many who walk their dogs. Many of these folks enjoy a chat along the way so feel free to stop and say "Hello." You would be surprised at the interesting conversations that get started. I often hear how much they enjoy the trail and appreciate all the volunteers that continually improve it making it a great asset to our community. Until next time-Chuck LaBreche

# Bremer Bank's Meals for Many Community Challenge

## Your Participation is Needed!

This June 15 – June 27, Bremer Bank is once again taking action against hunger for our 10<sup>th</sup> Annual Hunger Awareness Campaign: "Meals for Many" and we would love for you to join us! With help from local businesses like yours, last year we were able to bring a pick-up load and a trailer load of food and personal care items as well as a \$700 cash donation to the Amery Area Food Pantry.

The local Amery Area Food Pantry serves 145-160 families once each month. The number of families utilizing the food shelf increases during the summer as school-aged children are left without the subsidized meal programs they receive at school. That is why we are focused on the month of June. Please consider joining us in our annual "**Bremer Bank's Meals for Many Community Challenge**" from June 15<sup>th</sup> through June 27<sup>th</sup> and make a donation to help us end hunger.

### It's easy to participate:

**Reply to Lou Ann Schock at Bremer Bank ([lschock@bremer.com](mailto:lschock@bremer.com)) to accept our challenge and then collect donations at your business – that's it! We will do the rest by picking up and delivering the donations to the Amery Area Food Pantry. The winner will receive the honor of proudly displaying a traveling trophy throughout the next year and will be recognized, along with all participating businesses, in the Amery Free Press.**

### Here is a list of some of the current items needed:
